Allegiant Air Cancellation & Refund Policy

Understanding the cancellation rules helps avoid unexpected fees:

- **24-Hour Risk-Free Guarantee:** You can cancel any reservation within **24 hours of booking** for a 100% refund to your original payment method, provided your departure date is at least **7 days (168 hours) away**.
- **Standard Cancellations (After 24 Hours):** Purchases become non-refundable after 24 hours. If cancelled at least 7 days before departure, you will receive a non-transferable travel credit voucher valid for future travel.
- **Trip Flex Coverage:** If you purchased Allegiant's *Trip Flex* protection during booking, you can modify or postpone your flight without standard change fees up to **1 hour prior to departure**.

If you need help determining whether your ticket qualifies for a voucher or refund, speak directly with a representative at **1-888-217-7169**.

How to Change Your Flight Date or Time

Modifying an existing itinerary depends on when the change is made and what add-ons were purchased:

1. **With Trip Flex:** Change dates, times, or destination once up to 1 hour before departure without standard change fees (airfare difference may apply).
2. **Without Trip Flex:** Changes must be completed **at least 7 days before departure**. Changes requested within 7 days of departure are non-refundable and forfeited unless covered by an airline schedule adjustment.

Baggage Fees & Seat Selection Rules

To avoid surprise fees at the gate, keep these baggage dimensions in mind:

- **Personal Item (Free):** One small personal item (purse, tote, small backpack) fitting under the seat.
- **Carry-On Bag (Fee Applies):** One overhead bag per passenger. Purchasing carry-on allowance in advance during phone booking or online is cheaper than paying at the airport gate.

- **Checked Baggage (Fee Applies):** Must weigh under 40 lbs to avoid overweight surcharges.
