

## ESMPE Scientific Board Elections 2020

Dear NMO President,

The composition of the ESMPE Scientific board of the European Federation of Organisations for Medical Physics is summarized in the table below:

Name	Office
M. Bardies (FR)	04/2017 - 04/2021
B. McClean (IE)	04/2017 - 04/2020
A. Trianni (IT)	04/2017 - 04/2020
E. Koutsouveli (GR)	04/2017 - 04/2020

According to the present ESMPE Terms of Reference, 3 positions in the Scientific committee of ESMPE will be open for election in 2020:

Elected members will take their offices from 05/2020.

**Therefore, it is my pleasure to invite your National Member Organisation to submit nominations for the above 3 positions.**

The nominated person must fulfil criteria according to the ESMPE Terms of Reference:

- a minimum of 10 years' experience in a senior position in medical physics, normally as an MPE;
- a position which entails (or has in the past entailed) appraisal and management of the performance of individuals engaged in medical physics;
- experience of teaching in medical physics at postgraduate level (EQF level 8);
- academic qualifications and experience in medical physics equivalent to EQF level 8
- a membership of the NMO in EFOMP.

The nomination for these posts must include the following documents:

- a formal letter of nomination including the name and affiliation of the nominee, from the President of the EFOMP NMO of which the nominee is a member.
- a letter from the candidate accepting his/her nomination
- a statement (up to 500 words) by the nominee in relation to the post for which he/she is nominated demonstrating a knowledge and interest in the field and highlighting any other experience which makes them suitable for the post
- a short CV limited to 3 pages A4. The CV should cover the nominee's qualifications as specified in the section above

Nominations should be sent to the Secretary General by email to:
