On behalf of EFOMP governing we would like to thank all delegates who sent their votes and NMO presidents for submitting nominations.

We would also like to acknowledge the dedication of those who put their names forward for positions. It is precisely this spirit—this ethos of voluntary contribution—that constitutes the core dynamic of EFOMP as a federation. Through the collective engagement of its members, EFOMP advances the mission of medical physics in service of patients, staff, public and healthcare professionals.

Additional positions will emerge in the future, and all members of our National Member Organisations are encouraged to take part in this ongoing endeavour.

Sincerely,

Efi Koutsouveli
EFOMP President

Brenda Byrne
EFOMP Secretary General
