

EFOMP Governing Committee Elections 2023 ELECTRONIC BALLOT

Dear NMO Presidents and Delegates,

The e-ballot for two Officer positions ended on 6th of October, 24:00 CET. All received votes were recorded and scrutinized by two independent tellers (Brenda Byrne and Jurgita Laurikaitiene).

Voter turnout: 80% of eligible delegates casted a ballot and the selected chairs are listed below.

Position	Name	NMO/Country
Scientific Committee Chair	Eeva Boman	FAMP (Finland)
Education and Training Committee Chair	Veronica Rossetti	AIFM (Italy)

On behalf of EFOMP governing we would like to thank all delegates who sent their votes and NMO presidents for submitting nominations.

We also want to acknowledge the commitment of those who put their names forward for positions. It is this volunteering ethos that gives EFOMP strength as a federation to benefit patients and staff through medical physics. More positions will arise next year to which all NMO members are welcome to apply.

Yours sincerely,

President

Paddy Gilligan

Secretary General

Efi Koutsouveli
