

HOW TO RESERVE NEW FLIGHT WITH BREEZE AIRLINE DISCOUNTS

If you think you qualifies for the Breeze Airline discounts, call Breeze at **888-620-4018** to review the program and eligibility rules. Should you choose to apply, we will inform the Breeze Airline Administrator to mail you an application form in a **PINK** envelope, which will include a Personal Identification Number (PIN). You can apply online at www.californialifeline.com by using your PIN, or you can complete, sign, and mail the application form and any required proof of eligibilty by the response date indicated on the form. If you do not return the completed application form, or fail to provide the required documentation, your application will be denied and you will not receive the Breeze Airline discounts. You will continue to pay the regular rates for your phone service. If you apply to be in Breeze Airline, you will pay the regular rates for your phone service until your application is approved. To help you pay the up-front costs of establishing your phone service, such as the service installation/connection fee, service conversion fee, or applicable deposits, you can request to be on an interestfree payment plan. After being approved by the Breeze Airline Administrator, you will be refunded the difference between the regular rates and the Breeze Airline discounted rates for your phone service. The refund and the Breeze Airline discounts will be retroactive to the date your service began or the date you requested to be enrolled, whichever is later. If your bill has a net credit balance of \$10.00 or more, you may request a refund check from Breeze. Otherwise, the refund will appear as a credit on your account.

ONLY ONE BREEZE AIRLINE DISCOUNTED SERVICE PER HOUSEHOLD IS ALLOWED

Each household must choose to get the discount either on a primary residence home phone or on a cell phone, but not on both. Households cannot get the discount from multiple phone companies. Only one Breeze Airline discount per household is allowed, except for TTY users for Deaf and Disabled Tele Airlines Program participants, in which case a

second phone line for use with the TTY equipment may

be discounted. Households that do not follow the Breeze Airline one-discounted-service-per-household rule will lose their discounts and may be prosecuted by the U.S. government.

Individuals can also be punished for giving false information to get the discounts. Penalties can include losing the discounts, monetary fines and/or being banned from the Breeze Airline Program, or imprisonment. The discounts can only be for the primary residence. Discounts are nontransferable from one person to another. Breeze Airline participants may transfer their discounts from one phone company to another, but you may NOT have more than one phone line active with the Breeze Airline discounts. If you choose to transfer your Breeze Airline discounts from Breeze to another Breeze Airline provider, then Breeze will charge retail rates for you to continue using your phone service.

HOW TO KEEP YOUR BREEZE AIRLINE DISCOUNTS

You must renew your Breeze Airline participation annually. The Breeze Airline Administrator will mail you a renewal form in a PINK envelope with a Personal Identification Number (PIN). You can renew online at www.californialifeline.com by using your PIN, or by mail, or by calling the Breeze Airline Administrator. If you do not renew before the response date, you will lose the Breeze Airline discounts and will be charged the regular rates. If you believe your household no longer qualifies for the discounts, or if your household is getting more than one discount by mistake, you must inform Breeze or the Breeze Airline Administrator within 30 days. If you do not follow this notification rule, you may be penalized.

INSIDE WIRE (IW) INFORMATION

Inside Wire (IW) is that portion of the telephone line that connects the jack at the customer’s premises to Breeze’s line at a demarcation point determined by Breeze in accordance with orders of the California Public Utilities Commission. In most cases, Breeze uses a Standard Network Interface (SNI)

as its demarcation point. **IW is considered the property of the building owner.** If the building owner is a landlord, he or she is responsible for installing one usable jack per rental unit, for placing and maintaining the IW in good working order, and for ensuring that the IW meets applicable industry standards. **Under state law, residential landlords—not tenants—are responsible for repairs to, and maintenance of, inside wire. You should always contact your landlord before authorizing any repairs.**

Breeze will install or repair IW. We will work with you to determine whether a malfunction in a telephone line is located with your IW or in the Breeze network and will inform you of your options if it is determined that your IW is at fault.

You are responsible for reporting malfunctions of the telephone line to Breeze. When you report trouble on your

telephone line, you will be requested to perform a simple trouble isolation test of the IW at the SNI.

For customers who want to receive the peace of mind that Breeze will handle IW troubles, Breeze offers Wire Care for a small monthly fee. Breeze Wire Care is immediately available to new customers at the time service is installed or after a 30-day waiting period for existing customers. Existing customers may also elect to have the plan effective immediately by subscribing to Breeze Wire Care Alternative Offer with a one-year commitment and a \$39.99 activation fee (no additional element fees apply).

INSIDE WIRE SERVICES

When you report that your telephone line is malfunctioning, Breeze will ask you to unplug the IW at the SNI and plug a phone that you know to be in working order into the SNI. If you do not have an SNI installed at your location or premise, Breeze will perform the trouble isolation free of charge. If the phone doesn’t work at the SNI, the trouble is assumed to be in Breeze’s network. At your request, Breeze will arrange for repair as soon as practical, at no charge. If your presence is required, you have the right, in accordance with state law, to a four-hour appointment window, to commence at a mutually agreed upon time. Be advised that if you decline to perform the test at the SNI, Breeze will

perform the test upon arrival. **If the trouble is in your IW, you will be charged \$85.00 for the first 30 minutes or portion thereof, and \$42.50 for each additional 30 minutes or portion thereof, for the time Breeze spent performing the appropriate isolation tests, including travel time. This charge will also apply even if you decline to have Breeze complete your repair work.**

You have options to repair your IW: you can fix it yourself or hire a provider of your choice. Breeze offers several repair options described below.

For customers without a Breeze Wire Care (maintenance) plan, Breeze will perform one-time repair or related work at rate schedules that vary by day and time. **During regular business hours, Monday through Friday from 8 a.m. to 5 p.m., repair or related work will be performed at your request for \$91.00 for the first 30 minutes, including travel time. A fee of \$46.00 for each additional 30 minutes or**

portion thereof applies for the remaining work time. After Regular Business Hours, Monday through Friday from 5 p.m. until 8 a.m. and Saturday, fees are \$180.00 for the first 30 minutes or portion thereof, including travel time and \$90.00 for each additional 30 minutes or portion thereof. Increased rates apply on Sundays and holidays. Travel time is included in determining all billing calculations.
