EFOMP ESMPE Election Results 2024

Dear NMO Presidents and Delegates,

The e-ballot for one open position on the ESMPE Board closed on 19th of April 2024. All received votes were recorded and scrutinised by two independent tellers (Brenda Byrne and Jurgita Laurikaitiene).

Voter turnout: 64% of eligible delegates cast their vote and all votes approved the election of Sara Hackett (NVKF) to the ESMPE board for a period of 3 years (commencing in May 2024)

Position	Name	NMO/Country
ESMPE Board Member	Sara Hackett	NVKF (Netherlands)

On behalf of the EFOMP governing we would like to thank all delegates who sent their votes and NMO presidents for submitting nominations.

We also want to acknowledge the commitment of those who put their names forward for positions. It is this volunteering ethos that gives EFOMP strength as a federation to benefit patients and staff through medical physics. More positions will arise to which all NMO members are welcome to apply.

Best Regards

Efi Koutsouveli
President EFOMP
